

REMARKS

Applicant hereby further responds to the final Office Action of April 4, 2007 and the Advisory Action of June 29, 2007 in the above-referenced patent application. Applicant wishes to thank the Examiner for carefully considering the application and for indicating that claims 34, 35, 37 and 38 would be allowable if submitted in a timely filed amendment cancelling the non-allowable claims.

By way of this reply, Applicant cancels the rejected claims 1-33, 36 and 39, without prejudice. Thus, only allowable claims 34, 35, 37 and 38 remain, and the present application is now in condition of allowance.

CONCLUSION

If the Examiner feels that a telephone interview would be helpful to the further prosecution of this case, Applicant respectfully requests that the undersigned attorney be contacted at the listed telephone number.
